

# Your contemporary modular solution

Modena & Strato 800 Series™

by Schneider Electric

## Sleek, stylish modular design

With contemporary styling and modular design, you simply can't go past Strato 800 Series.

The entire range provides a minimal, low-profile design that complements any modern interior or architectural environment, in both residential and commercial space. The unique modular look will appeal to those who want an eye-catching, stylish switch to suit today's interior designs.

Available in a wide range of configurations with interchangeable coloured surrounds and module combinations, Strato 800 Series can cater for all applications and specific requirements. From audiovisual and HDMI to push-button and dimmer options, the Strato 800 Series is a truly modular switch and outlet solution.

# Timeless, sophisticated modular design

When it comes to classic styling, comfort and usability, Modena 800 series is the perfect addition to any interior.

The Modena 800 Series is designed with the best form, function and safety features in mind. This classic range comes with larger switches and easy-to-view indicators, tailored with a minimalist, subtle finish. The large soft-resistance switch mechanism provides easier operation and practical functionality for all users, including those with limited mobility.

The range of finishes, colours and configurations suit any décor and perfectly complement any residential or commercial environment. The Modena 800 Series caters for all applications and specific requirements. From audiovisual and HDMI to push-button and dimmer options, the Modena 800 Series is a complete modular switch solution.

## Suits any environment

Modena 800 Series offers sophistication and contemporary design that adds eye-catching style to any environment.

## Mix'n match to suit your décor

The stylish Modena 800 Series is designed using a modular format, giving more flexibility to suit any décor and satisfy even the most creative of imaginations. The fascias are available in Black or White and a range of seven colours; Charcoal, Blue, Red, Champagne, Gunmetal, Chrome and Platinum. The fascias can be combined with either Black or White switch modules, ensuring there is a colour to suit your style.

Modena 800 Series replacement surrounds are available in seven colours.
